The 9th won't fly. It looks like Friday the 13 or Friday the 20th, but I need to confirm the 13th for Blythe. I'll discuss the other issue with Blythe.

Subject: Honolulu Rail Project Section 106 PA

Hi Ted -

Hope you made it home safely without incident. It was nice to see you and the others from Region IX in Honolulu.

Just checking in to see if you were able to get in touch with Blythe about having the final meeting for the PA on Monday, November 9th. We are anxious to conclude the PA and so are hoping that someone other than Blythe can participate in the meeting. I would like to either confirm or cancel the meeting before the end of the work day on the East Coast today. Therefore, if I don't hear from you by 10:00 a.m., I will reluctantly cancel the meeting, with the rescheduled date and time to be determined.

Also, if you have the opportunity to speak with Blythe, you may want to discuss the possibility of the NPS not signing the PA. NPS has continued to try to link the Section 4(f) process with Section 106, more than just the results of Section 106 informing the Section 4(f) process. I am afraid that if we are not able to convince the NPS of this, NPS may decide not to sign. Then what?

Thanks for your help.

Faith
